Dear volunteer basketball coach prospects,

Mason is delighted that you would consider serving the children in this community by volunteering to coach youth basketball. Our foremost concern is the safety of the children and we will take reasonable measure to insure their safety.

We ask that you provide a new application this year so that we are assured of having the most up to date contact information. Also, we have made it a policy to require a background check every year, even for our returning coaches. We hope you will recognize the importance of insuring our Mason residents that we value a healthy and safe play environment for their children. The few minutes we ask you to sacrifice for this process is well worth it if we can avoid incidents.

To simplify the process, here is what we ask of you:

- Complete the Volunteer Application (regardless of you being a returning coach).
- Go to the police department to get fingerprinted on any of the following dates. Please be sure to bring a valid photo ID (drivers license, passport, or State ID card).
Anytime Monday-Friday between 8:00 am and 4:30 pm
- *Note-Regarding the background check, your fingerprints are scanned and sent electronically to the Ohio Bureau of Criminal Identifications criminal database. The fingerprints are run through for COMPARISON ONLY, to see if you have ever been fingerprinted on an arrest or criminal offense charge. Your record check is performed and the fingerprints are never kept in the system. The background check is then only good from year to year. Thus the reason for having to do this every year.*
- Provide your NYSCA (National Youth Sports Coaches Association) certification number on the application if your certification is current. If you need to renew or get NYSCA certified, please go to www.nays.org and follow the links for coaches training. Once you complete the training, forward your NYSCA certification number to Dana Maidenberg at dmaidenberg@masonoh.org.
- Complete the Youth Sports Concussion Training [The National Federation of State High School Associations \(NFHS\)](#) and send the certificate of completion along with date of completion to Dana Maidenberg at dmaidenberg@masonoh.org.
- Complete the Lindsay's Law training sudden cardiac arrest training, <https://www.odh.ohio.gov/landing/Lindsays-Law.aspx>

Final Deadline: **Tuesday, October 1.** It will take a few weeks for the background check and our other internal processes. Please anticipate a delay in providing your services if you are unable to meet this deadline.
