I'm driving from Mason Community Center back home. I am coming down Tylersville approaching the intersection in front of Brazenhead Irish Pub and VDF. I am in the left most lane and approaching the intersection the light is green. She pulls out from the VDF parking lot, crossing my traffic, pulling straight out from the parking lot. She ~~pulls~~ pulls out right in front of me. I try to swerve her car but she already hit me. The front of ~~the~~ her car went directly along the passenger's side of my car. My lights were on, as it is cloudy. My seat belt is on. I would say I am not sure how fast I was going. Probably between 35-40 mph. I was going just as fast as the traffic around me.
