Making a right turn at Socialville Foster's Rd onto Mason Montgomery Rd. I looked to the left, did not see any cars approaching the intersection and proceeded to turn. I felt a smash on the left side of my car and the car itself veered to the right side of the road. I looked out the window and saw a car spinning in mid air that then landed in the median. I stopped the car and ~~started~~ ran to see if he was alright. After seeing that the driver was okay, I returned to my car.

I had pulled up to the light at Socialville Foster and Mason-Montgomery. My car was heading west on Socialville Foster and I would estimate the light had been red only a few seconds. I looked to the right down Mason-Montgomery in time to see the black Corolla rolling side over side and landing in the median.
