OFFICER'S NAME LOCATION

On Saturday morning 7/27/13, at approximately 10:15AM, I was in the left turn lane going south bound on Mason-Montgomery Rd waiting to turn onto Tylersville Rd. I was the second car in the turn lane. There was a Honda in front of my car. The light turned solid green. There was no left turn arrow present at the time. The Honda proceeded to pull out and turn into the intersection in front of the red truck which was going north bound through the intersection, and had the right of way. It was evident there was not enough time for the Honda to make the turn without being at risk of causing an accident.
