I was driving down Mason Montgomery toward
 McDonalds and looked down for maybe a second
 then looked up and saw the car in front of me stopped
 but which is when I began to start braking. I floored
 my break and by that time, my car had hit into
 the back of his and forced his to move up some. I put
 my car in park and then got out of the car to check on
 the boys. Their car did not look very damaged and
 one of the ~~my~~ the passengers agreed and said he already
 (the driver) had to get his bumper fixed any way. I went
 back to my car and they had driven off so I did
 the same. since I had an appointment to get to and
 my car seemed to be driving alright.

I stopped behind traffic at a Red light on mason montgomery and socialville faster heading south and while stopped got rear ended. Me and Robert Eifers got out along with the other driver to check damage. I told the other driver to pull into JDF and then I pulled in and waited for the other car but the other driver left.
