ON JULY 28th, 2015 at approx. 9:20 pm I was on Kings Island Dr. headed south to get on to 71 south. As I was approaching the green light, I looked ahead to see if anyone was turning left onto the intersecting street. That intersection always makes me nervous. there were 3 cars in that lane and as I was coming up to the intersection, the first two went because there were no cars going straight & those two cars had plenty of room & time as I was driving towards them. As I got to the intersection I realized that the 3rd car (the car that hit me) ^(blue/grey) was going to turn even though, clearly, I had the right of way. As soon as I realized that he was going to turn, I slammed on my brakes & he slammed into me. I called 911 as soon as I could. I found it hard to breath, my chest hurt & my collar bone. there was a man in a white tank top who parked his car got out, & made sure we were both OK. A woman in a purple shirt asked if I was on the phone with the police. I said yes & they both left. At the scene I heard the man who hit me →
