We were traveling N. on 42 Behind a SUV just pass through the intersection when the car in front of me came to a fast stop (I believe the car in front was trying to make a left turn) I came to a almost contact stop within a safe distance of the car in front of me. As reaction I check my mirrors and saw the car behind me attempting to stop in time. I heard the tires screech, then I felt impact. I checked and made sure my wife was ok. I checked I was ok. I got out of the car and checked the other driver if he was ok. He said he was. I then asked if he had insurance. He said He did. we looked at both cars, called the police, moved out of traffic and waited.
