We were leaving out of the construction area then leaving the traffic started speeding up then the car in front of me slammed on her breaks and before I could slow down enough the front of my truck hit hers. Then the lady got out of her car and walked over to me and asked if I had insurance then walked back over to her car with the cops on the phone.

OFFICER'S NAME LOCATION

I was the passenger of the car. David ~~and~~ and I go past the construction area, so we are going slower than the speed limit. We pick up speed once we left the construction area, when suddenly we see the woman slam on her brakes. David sees this a bit late and stops ~~speeding up~~ speeding up and slams on his brakes, but it was too late. We tap her bumper, not hard enough to cause injury, but enough to dent the bumpers. The woman comes out fine, walks ~~up~~ up to our car, and walks to hers again. She then apparently has a ~~problem~~ problem with an "injury" she has once the cops come. She however is fine.
