I was driving close to the center divider, I notice a red car getting close to my back passenger so I get closer to the center divider to the point where my tires were rubbing, the divider 2 sec later boom I processed to the right lane seeing a guy pull up on the side of me and ask why I oh I said yes. The guy said they had to be in they phone because she swerved into you. So I got out to see if the other were ok.
